

## What You Can Do with the Small Wins Dashboard

### Team Goal- Tracking

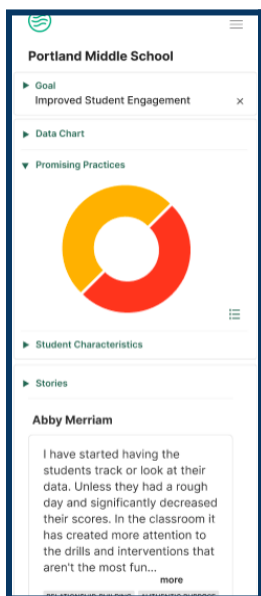

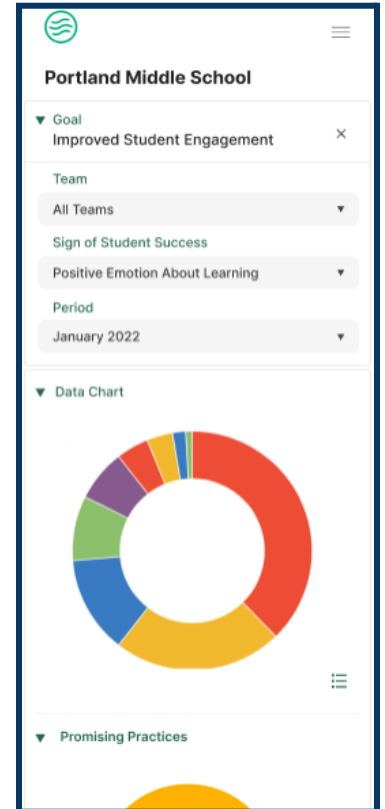

- Gain insights about these important questions:
  - *Are we moving toward our big goals?*
  - *What should we do more of, to keep moving forward?*
- Keep your team's goals on the front burner
- Visually connect the team's efforts and their effects
- Strengthen your evidence base with team-generated, everyday evidence of student learning

### Leadership

- See, celebrate & share your team's successes
- Stay closely connected to what's happening in classrooms
- Gain fresh perspective on faculty experience & mindset
- Boost team cohesion & shared vision of success
- Strengthen the team's belief in the possibility of its goals

### Learning

- Capture & share the collective genius of the team
- Gather evidence & document learning in pilots, design sprints, PLCs & professional learning cycles
- Exchange ideas & insights with colleagues anytime
- Make reflection a team routine

## Features

**Customizable Tracking:** Your goals, student success indicators, and promising practices. Select from our research-based bank, or create your own.

**Multiple Data Displays:** See Summaries by Time Period & Success Signs Over Time; Drill down into each Success Sign for detailed analysis

**Filtered Views:** Filter the information by district, school or by team.

**Easy Navigation:** Simple filters & collapsible views for intuitive navigation & fewer clicks.

**“Anytime, Anywhere” Small Wins Entry:** Submission form built seamlessly into the app: easy entry on mobile or other handy device

**Uploading:** Add images or artifacts to Small Win Stories.

**Reactions:** Interact with others' small win stories (e.g., emojis)

**Reminders:** To share a small win story, review recent dashboard results, etc.

**Resources:** Readymade, really good tools leaders can use with their teams to get the most out of the Dashboard
